DESIRABLE DESTINATION

Our conference hotel is the elegant Westin Hotel at 70 Yorktown Center in Lombard, IL. This area is DuPage County's premiere destination for retail, dining, and entertainment. 20 miles west of Chicago's Loop, the Westin is conveniently situated whether flying in to O'Hare or Midway Airports, driving in from across the Great Lakes Region or Downstate Illinois, or commuting in daily from the Chicago Metro area. Located at Butterfield Road and Highland Avenue, Yorktown Center is just off two major highways: I-88 (Reagan Tollway) and I-355 (Veterans Tollway). For details and directions, visit: www.yorktowncenter.com.

Whether you want exceptional Christmas shopping or fine dining on Chicago's Magnificent Mile (www.themagnificentmile.com); at the upscale Yorktown or Oak Brook Shopping Centers (www.oakbrookcenter.com); or the high-end galleries and outlet shops within minutes of the Westin, this hotel is THE place to stay. Westin is non-smoking, offers 24 hour room service, and provides free parking in its attached garage.

IOMS strongly encourages you to stay with us at the Westin Lombard Yorktown Center for the conference, since every room night sold to an IOMS Winter Scientific Seminar attendee helps us to negotiate better rates for rooms and the direct meeting expenses. Those of you who stayed in 2008 and 2009 will appreciate our 20% additional nightly discount this year! Book your hotel room at the conference rate of \$119/night by 5pm central on November 10th by linking directly from www.IOMS.org.
